## REPORT OF FOREST FIRE WARDENS

---

There has been six brush fires during the year 1924.

One near Gulf bridge,	\$34 30
One near Underwood place,	31 20
One at George West place,	4 20
One at Ogilvie's place,	5 00
	<hr/>
	\$74 70
Received from the state,	32 75
	<hr/>
Cost of the town,	\$41 95

One fire near Gulf bridge not settled for.

One near Hildreth Granite Co., not settled for.

C. H. KINSMAN,  
GEORGE F. HIGGINS,  
WILL WHITCOMB,  
Forest Fire Wardens.

## REPORT OF FIRE WARDS

---

The past year we have had one alarm for fire in town, and one call out of town. We have had seventeen chimney fires that have been taken care of by the department.

We feel that the efficiency of the department has been greatly added too, in the recent purchase of a triple combination truck.

C. E. WARD,  
C. H. KINSMAN,  
HENRY FRECHETTE,

Fire Wards.

---

## REPORT OF COMMITTEE ON PURCHASING FIRE APPARATUS

---

Your committee begs leave to submit the following report after looking at several different makes of motor driven fire apparatus, and several demonstrations. Your committee after a through tryout purchased a Howe-Wachusett truck which we feel is the best of any we have seen or tried out. The truck has plenty of power and the equipment is of the best. We wish to thank Mr. F. H. Hunt for his generous donation on the truck, and all others who have helped in any way.

MERRILL MASON,  
N. N. COLLINS,  
WALTER BUCKMINSTER,

## FROST FREE LIBRARY REPORTS

---

### SECRETARY'S REPORT

The annual meeting of the trustees of Frost Free Library was held September 20, 1924. The president Rufus S. Frost called the members to order and prayer was offered by Rev. S. B. Long. The reports of the secretary-treasurer and librarian were read and approved.

The following officers were elected:

President, Rufus S. Frost.  
 Vice-President, Robert L. Whitney,  
 Secretary, Carrie K. Whitney.  
 Treasurer, Fred D. Hemenway.  
 Auditor, Rev. S. B. Long.  
 Librarian, Elfreda K. Cheeseman.

The executive committee are as follows: Rufus S. Frost, Rev. Wm. Weston, Rev. S. B. Long, Walter Buckminster, Mrs. Mabel F. Page, Robert L. Whitney, Rev. O. R. Washburn.

The discussion again arose regarding the Memorial tablet and the matter of placing it outside the library in a more conspicuous place was left to the executive committee.

The play ground committee found it inadvisable to take action on account of lack of funds. Thanks were extended R. L. Whitney for two iron lawn seats placed near the entrance of the library.

The sum of \$100 was voted for the purchase of new books.

Adjournment.

CARRIE K. WHITNEY,

Secretary.

## LIBRARIAN'S REPORT

---

To the president and trustees of Frost Free Library, the Librarian submits the following report for the year ending September 17, 1924.

The library has been opened 105 times during the year. The total circulation of books was 4,511, of which, 3,019 were adult fiction; 1,153 juvenile fiction; 180 adult non-fiction, and 159 juvenile non-fiction. The circulation of magazines was 2,285.

One hundred and fifty-six old books have been rebound this year, but only eleven new ones have been added. Nine, were the gift of Mrs. Chas. H. Frost, the other two being purchased from the library fund. A set of paper covered books on fancy work, knitting, etc., was donated by Mr. Robert L. Whitney.

Six new magazines may now be found on the table; "Current History," a magazine whose articles cover the important happenings throughout the world; "Child Life," a splendid children's magazine, with stories of interest for children from five to twelve; "Everyland," another children's magazine that endeavors through its stories to kindle a feeling of love and kindness between children of all nations; "McCalls," and "Today's Housewife," two popular women's magazines, and "Photo Play," a splendid motion picture magazine that has proved very popular.

### FINANCIAL RECEIPTS FOR THE YEAR

Cash on hand, Sept. 15, 1923,	\$1 65
Received from sale of magazines,	5 40
Received from cards and fines,	18 65
	<hr style="width: 20%; margin-left: auto; margin-right: 0;"/> \$25 70

Paid treasurer,	\$23 40

Grand total, 408 calls.

Respectfully submitted,  
EVA J. BURKE, R. N.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Marlboro:

I have the honor of submitting herein my second annual report as superintendent of your schools. In it, I shall make a brief survey of some of the accomplishments, needs and objectives of the past year.

Throughout the extent of our republic, from the Atlantic to the Pacific, from the Great Lakes to the Gulf of Mexico, school officers and interested citizens have asked themselves what vehicle or connecting link has brought us as a nation from the "Yesterdays," the time when we rode in wagons, plowed with oxen, harvested with the sickle or the cradle, thrashed with the flail, read by candle light, to the luxuries of the "Todays," when we ride in automobiles and airplanes, upheave the fields with tractors, harvest and thresh with the same operation, read and acquire knowledge by electric light and radio.

Out of the deep shadows of the past, comes the answer, yet wearing the scars of struggle and the stripes of toil, but bearing in triumph the wisdom of all ages. We call her education, the torch that enlightens the world, fires the imagination of man and gives wings to the visions of youth, saturates the dreams of the aged and renders might to hand and brain.

We, having confidence in this parent of progress, creator of culture and moulder of destiny, look forward with assurance to the "Tomorrows" of our democracy, believing that education will provide for us the foundations of our future progress; that she will give to the youth of our land the backbone of morals. Indeed, we trust that our system of free educa-

tion will become the conservator of the American home, the essential of citizenship and the inspiration for living.

The school is our workshop. Here we must stir the ambitions, stimulate the ideals and forge the keys that open the door of opportunity to our children.

### HIGH SCHOOL

The teaching corps of the high school remains the same as last year with exception that Miss Lillian Sweet, a graduate of Radcliffe, takes the department of Latin and French.

On the recommendation of our State Department, the second objective of education is being emphasized in our high school, viz.: "Grasp of Fundamentals."

We are devoting about thirty minutes a week to the resuscitation of fundamental principles of arithmetic, geography, English, spelling, writing and silent reading. These exercises are not to take the place or time of regular high school subjects as this would turn our high school back to an elementary, but we are to use spare periods or add additional time to the school day in order to accomplish the desired results.

The school has been approved for the year by the State Board and its corps of teachers are maintaining standard requirements. All our teachers have high ideals of school life. The school's efficient organization, its high standing in athletics, the morale and spirit of the pupils, and its scholastic standing are largely due to the untiring efforts of our Headmaster, Ralph H. Bissell, who has served you faithfully for six years.

Every assistance and moral support should be given by parents and citizens that our school may function in its highest type and bring our community to a higher plane of usefulness.

### MANUAL TRAINING

Since our last report, the Manual Training building has been completed. The floor which was partly cement and partly

wood was entirely removed and a new double floor was laid. The outside of the building has been painted and the inside finished in oil.

The benches have been constructed of hard wood in the shape of a T, the dimensions being 18 by 15 feet. Cupboards are constructed beneath the benches for the accommodations of 15 pupils.

**A door** was cut as an exit to the fire escape from the High School room. This replaces the exit through a window which was contrary to the new law.

Storage room in the basement being inadequate, the old janitor's room was utilized for that purpose, and new quarters for the janitor were constructed.

The accomplishment of these projects have been accompanied with additional expense for the necessary materials and supplies. But not only have the boys received practical experience and training in the use of tools but also the value of the school plant has been increased several hundred dollars.

## ATHLETICS

An increased school spirit and morale has been developed in our High School through the organizations of base ball and basket ball. In the absence of a gymnasium these sports furnish a substitute for the development of muscles, for the quickness of the eye and alertness of mind, for the control of temper and the sense of fair play. In fact, it emphasizes a feature of Spencer's definition of Education, viz.:

"A sound mind within a sound body." The first Marlboro High School ball team, organized in the spring of 1924, played a series of twelve games with representative teams of Cheshire County, making a record of six games lost and six games won.

In basket ball during the season 1923-24, fifteen games were played, the Marlboro quintet winning eight, scoring 277 points to 276 for their opponents.

During the present season, the Marlboro boys are among

the leaders of the Monadnock League. Also a girls' basket ball team was organized and is beginning to win laurels.

Headmaster Bissell has placed eligibility to the teams dependent on scholastic standing, thereby increasing the intellectual standards of the school and diminishing the number of fatalities in class. The athletics should receive your moral and financial support.

### HEALTH ACTIVITIES

Dr. L. G. Hildreth, medical examiner for the Marlboro schools, submits the following results of his examinations.

Whole number of pupils examined,	301
Number of cases of defective vision,	32
Number of cases of anaemia,	2
Number of cases of pulmonary,	2
Number of cases of orthopedic defects,	6
Number of cases of defective teeth,	194
Number of cases of hypertrophied tonsils,	100
Number of cases of adenoids,	62
Treatments were secured during the year as follows:	
For defective vision,	3
For defective hearing,	1
For orthopedic defects,	6
For defective tonsils,	10
For adenoids,	8
For pulmonary,	1

Judging from the few corrections made during the last year, we fail to realize the greatest benefits from our medical inspection. Parents must consider themselves responsible to see that defects reported to them by the physician are corrected if they are to enjoy the full blessings of medical advice.

Dr. Parker of Keene cleaned, examined and made charts of all defects found in the teeth of all children in the elementary grades.

The community nurse, Miss Burke, has assisted in the work of medical examiner and dental clinic. Miss Burke has rendered valuable service in follow-up work and especially, at the time of writing, in the epidemic of Scarlet Fever that has prevailed in our community.

## MUSIC

Music in our public schools this year has continued under the guidance and instruction of Mr. Harry Davis of Keene. The every day work of the schools in music has progressed very satisfactorily. The teachers have cooperated with Mr. Davis and have obtained good results in the various rooms. There has been a certain amount of work laid out for each week or month, equal attention being given to tone; time and theory problems. Then the application of these "Three T's" of music applied to real song singing. The pupils seem anxious to keep the work up to date and it is hoped that parents will supplement this sentiment by urging and encouraging pupils to consider music as a fundamental part of the school work from which a great deal of benefit as well as pleasure may be derived. Some national leaders in education, recognizing music of great value as an essential element in the development of the brain and character, are making an effort to so standardize music in high schools that credits may be secured for graduation.

When this is accomplished, I feel confident that our grade pupils who will then be in our high school will be prepared for the change.

During the last six years we have heard a great deal about the "League of Nations," and more recently the "World Court." But if the schools of all nations and especially those of free America would teach to their boys and girls the new lesson of each for all and all for each through the medium of music, the common tone in the new harmony of Nations, it will prove more valuable than text or sermon, treaty or diplo-

macy in reaching the hearts of the citizens of all nations and especially our own, old and new.

Indeed it would help all to sing a mighty pean of praise for our great nation.

### GRADUATION

On the evening of June 13th, 1924, the following pupils were graduated from the Marlboro High School.

Elizabeth Clara Harrison, Alice Lucy Porter, Wilma Eulina Demerse, Frank Whitten Stockwell, George Daland Webb and Lawrence Arden White.

Messrs. Webb and Stockwell are continuing their studies at the University of New Hampshire.

Miss Harrison and Miss Porter are attending the Keene Normal School.

### SCHOOL WORK

Of the seven objectives of education promulgated by the National Teachers' Association and broadcasted over the United States, we have placed emphasis particularly on the first, second, fourth and seventh, viz.; (1) "Health" (2) "Grasp of Fundamentals," (3) "Good Citizenship" and (4) "Ethical Character."

Reading, writing, arithmetic, English, geography, history, civics and spelling comprise the backbone of our course of study in the elementary grades. The efficiency with which these subjects are taught determines the strength or weakness of our system of schools.

The following standard tests were given: Thorndike McCall, Reading, Ayres Spelling, Charter's English, Gregory's American History, Gregory-Spencer Geography, Moody-McCall Arithmetic, Buckingham Arithmetic Reasoning and Stanford's Achievement Test. The tests were given to pupils above the second grade. In addition to these Henmon's French Test was given to the junior high pupils.

The results, with few exceptions, were satisfactory. Many

of the pupils not only maintained the standards established for the different grades but exceeded them.

The corps of teachers for our grade schools has remained the same with the exception of second grade. Miss Smith having resigned, Mrs. Vera Pinkham was elected to this position.

Drawing has been well taught by the individual teachers. This subject has furnished the pupils not only a certain amount of technical knowledge and training in appreciation but also has brought happiness and good spirit.

Your teachers have tried to inculcate in their pupils a spirit of thrift through the economical use of paper, pencils and other supplies, care of books, etc., and thus help their parents in the burden of taxation. If we are to maintain conservation in our nation, it is highly essential that its rudiments be taught and practiced in the home and school life of our children. It is vital to the future welfare of our nation that boys and girls improve every moment of school life to prepare their minds for the activities of citizenship that will very soon devolve upon them.

All our teachers have been faithful, conscientious and devoted to the interests of the children in their charge. On their ability, loyalty, vision and flat drudgery performed in the school room, depend the physical, mental and ethical life of our nation and the cardinal virtues of our Democracy.

In conclusion, I wish to acknowledge the cordial co-operation of teachers, parents and citizens and to express my gratitude to the members of the school board, who have given liberally of their time and energy for the good of the school system.

Respectfully submitted,

FREDERICK T. JOHNSON,

Superintendent of Schools.

Marlborough, N. H., February 18, 1925.

CHARLES E. CARLTON,

Town Clerk.

## (SCHOOL WARRANT)

**THE STATE OF NEW HAMPSHIRE**

---

To the inhabitants of the School District in the town of Marlboro qualified to vote in district affairs.

You are hereby notified to meet at the Town Hall in said district on the 10th day of March, 1925, at 2 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing

year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will authorize the School Board to borrow Fifteen Hundred Dollars on the credit of the district for a period not exceeding six months.

Given under our hands this 23d day of February, 1925.

RAY E. TARBOX,  
CHARLES F. WEBB,  
WILLIAM COUTTS,

School Board.

A true copy of Warrant—Attest:

RAY E. TARBOX,  
CHARLES F. WEBB,  
WILLIAM COUTTS,

School Board.

**TOWN WARRANT**  
**THE STATE OF NEW HAMPSHIRE**

---

To the inhabitants of the town of Marlborough in the County of Cheshire in said state, qualified to vote in town affairs:

You are hereby notified to meet at town hall in said Marlborough on Tuesday, the tenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.

3. To see if the town will vote to accept the provisions of Chapter 117 on the section of the Monadnock Road, so called, and appropriate or set aside from the amount raised for the highway work the sum of \$200.00 for this purpose, the state paying an equal sum.

4. To see if the town will raise the sum of \$970.00 against an equal amount from the state for trunk line aid or act in any manner relating thereto.

5. To see if the town will raise the sum of \$1,500.00 against \$2,250.00 by the state for trunk line maintenance or act in any manner relating to the same.

6. To see what sum of money the town will raise to defray the debt on the cement bridge by the Monadnock Blanket Mill.
